RE: Correction notice regarding the expansion of the Musculoskeletal and Pain Management Program

Dear Provider,

The week of March 8, 2021, you may have received a letter announcing that we are partnering with eviCore healthcare (eviCore) to expand our Musculoskeletal and Pain Management Program to include select Cigna Medicare Advantage customers. Please disregard that letter as it was sent to you in error. Arizona Cigna Medicare Advantage customers are not included in this program.

We apologize for any inconvenience the previous communication may have caused. Please contact your Network Operations representative with any questions.

Thank you for your partnership and the care you provide our customers.

Sincerely,

Cigna
